benefits:

Become a member of the National Youth Council of Ireland. Join the representative body for youth organisations in Ireland and take advantage of the benefits for your organisation:

1

Influence

- Influence the policy and practice agenda of youth work in Ireland
- Participate in NYCI campaigns and engage with policy makers and funders
- Inform NYCI members' consultation responses
- Access up to date policy developments and have your views represented to government and policy makers

2

Information

- Stay in the loop through monthly e-bulletins updating you on events, funding opportunities, publications and practice issues around the youth sector
- Receive regular policy briefings, and analysis of government initiatives and legislative developments that impact on young people and the youth sector
- Avail of NYCI resources, good practice guides, policy and research reports
- Link with a named NYCI staff member who will act as the regular contact for your organisation

3

Advice, Training and Development

- Enjoy up to 50% discount on NYCI training courses
- Be eligible for Garda Vetting Consortium membership
- Access bespoke training packages in child protection, development education, equality and inclusion, youth arts and youth health
- Receive tailored advice and guidance on youth work issues
- Access NYCI expert speakers for members' conferences and events

4

Events and Networking

- Network and collaborate with other NYCI members to share knowledge and expertise
- Attend networking events, members meetings, and consultation workshops
- Participate in a range of committees and networks including NYCI's International Advisory Committee, Policy and Advocacy Committee, and the Specialist Organisations Network

5

Involvement

- Nominate representatives and have full voting rights at NYCI's AGM
- Stand for election to NYCI's Board of Directors
- Nominate to a range of external strategic groups, forums and international opportunities through NYCI
