

What is Youth Work?

Youth work is complementary to the formal, academic or vocational education of a young person. It is a planned programme designed to help and support the personal and social development of the young person. Youth work is based on voluntary involvement and provided mainly by youth work organisations at local community level. It can take place in youth clubs, youth groups, youth projects and youth services with professional youth workers and volunteers. Youth work was given formal statutory recognition in the Youth Work Act 2001.

What is Intercultural Youth Work?

Intercultural youth work recognises that ethnic and cultural diversity enriches our communities. This approach involves the development of policies and practices that promote communication, understanding and integration among and between different cultures and ethnic groups. It is a commitment to social cohesion and living harmoniously in a multi-ethnic society. It believes that it is the responsibility and commitment of all to work towards achieving a society based on equality and inclusion. Intercultural youth work is not an add-on, it is embedded in our thinking, planning, implementation and evaluations with an emphasis on achieving equality of outcome for all. It recognises the need to build programmes that support cultural identity and belonging, builds trust with families and develops skills and competencies.

Qu'est-ce que le travail pour jeune?

Le travail pour jeune est complémentaire à l'éducation formelle, académique ou d'apprentissage d'une jeune personne. C'est un programme planifié conçu pour aider et soutenir le développement individuel and social de la jeune personne. Le travail pour jeune est basé sur l'engagement volontaire et est fourni principalement par des organisations bénévoles de travail de jeune au niveau d'une communauté locale. Il peut se passer dans des clubs de jeunesse, des groupes de jeunesse, des projets ou des services de jeunesse, avec des travailleurs professionnels de jeunesse and des bénévoles. Le travail pour jeune avait reçu une reconnaissance statutaire dans la Loi de 2001 sur le Travail avec les Jeunes.

Qu'est-ce que l'Interculturalisme?

L'Interculturalisme reconnaît que la diversité ethnique et culturelle peuvent enrichir notre société. Cette approche implique le développement des politiques qui promeuvent la communication, la compréhension et l'intégration parmi et entre les cultures et les groupes ethniques. C'est un engagement à la cohésion sociale et à la manière de vivre le mieux harmonieusement possible dans une société multi-ethnique. C'est la responsabilité et l'engagement de tous dans le secteur de travail avec les jeunes, de travailler pour atteindre une société basée sur l'égalité et l'inclusion des tous. L'Interculturalisme devrait être vu comme d'autres problèmes d'inclusion et d'égalité – tels que le genre et le handicap – encrés dans nos pensées, nos planifications, nos mises en exécution et nos évaluations avec un accent particulier sur l'atteinte de l'égalité dans résultats.
