

SKILLS SUMMARY PRESENTS

"Share your story"

We are curious to know why and how you have been using Skills Summary – and how it makes a difference *for you!*

Tell us the story of your Skills Summary journey and you could win €100.

- What you have learnt about yourself?
- Did you experience something unexpected?
- Have you discovered a new strength or improved your confidence?
- Have there been any obstacles you have overcome?
- Has there been another figure, such as a youth worker, who helped you along this journey?
- Have you found your dream job – or your life path towards it?
- How has Skills Summary helped you?

Tell us what your **Skills Summary** journey has looked like! You can capture your experience in any format – it could be a video, photography, an essay, poetry, a painting, an audio clip, collage, or any other format you feel comfortable with.

"Share Your Story" is open to all topics and themes that captures an experience you have had with Skills Summary.

What's important here:

- Your story
- The depth of your experience
- Creativity – be yourself!
- The process of learning
- Reflection

What's **not** important here:

- The amount of skills completed, or the skills levels reached
- How long you have been using Skills Summary for
- The end result of your journey

Entries must be received by the 8th November 2020.

The submission entry form is now open at <https://www.youth.ie/programmes/projects-initiatives/skills-summary/share-your-story/>.

For any queries contact Eva on eva@nyci.ie.

Skills Summary is a partnership project between the National Youth Council of Ireland, Spunout.ie and Accenture. It is funded by the Department of Children and Youth Affairs and is recognized as a measurement tool in the Youth Employability Initiative.
