

Framework for evaluating partnerships

1. What is the aim of this partnership?	
2. Who is involved?	
3. How long has the partnership been in operation?	
4. How often does the partnership meet?	
5. What is our org contributing to this partnership?	
6. What are other members contributing to the partnership?	
7. What is our org gaining from this partnership?	
8. What are other members gaining from the partnership?	
9. Does the purpose and outcomes from the partnership still fit with the org's strategic priorities? If yes, how?	
10. If no, what does our org need to do to address the situation?
